

OCC Fee adjustment

In August the OCC approved an adjustment to their officials' fee for 2022-23 school year and increased pay for officials across all sports. The MSL should be very close to the OCC with the same adjustment amount. However, we cannot determine what other leagues/schools will do (meaning: City League vs Licking Co. League vs CCL, etc..)! Please remember we are only hired contractors for these events.

From the information I received from Tom Rooney, I have compiled below what we were paid last year by the OCC and what the new paid schedule will be starting this year. Also, they will have a \$2.00 increase (each year) for varsity officials for the next three years (2023-24, 2024-25, 2025-26).

	<u>Last year</u>	<u>Starting this year</u>
Varsity Dual	\$65.00	\$79.00
JV Dual	\$50.00	\$60.00
9 th /MS	\$50.00	\$60.00
Var. Tri (1)	\$130-165.00	\$237.00
Var. Tri (2)	\$72.00	\$119.00
JV/9 th /MS Tri (1)	\$50-130	\$180.00
JV/9 th /MS Tri (2)	?	\$90.00

Tournaments the quality of competition & number of officials plays into the calculation. Basically last year a typical Varsity tournament was a minimum of \$225.00

8-10 team pools	\$225-250
12 or more	\$250-275
16 or more (1 day)	\$295 or more?
Two day events	\$325-350
